

PRACTICAL SHEET STOPOVER 4

MARTINIQUE FOR ALL

FAMILIES / TRIBES

Martinique is an excellent choice for a family holiday. Swimming in 27° water, diving, picnic under coconut trees, hiking in the forest, zoo, beautiful gardens and parks, acrobatic courses in the trees, activities related to the sea ... Each member of the family will find his happiness in various leisure activities.

SENIORS

Seniors particularly appreciate Martinique, so much so that many retirees choose to spend the winter there and return every year. Its enchanting nature, its warm population, its unique distilleries, its paradisiacal gardens, its dream beaches, its rich cultural heritage fascinate them!

TOURISM AND DISABILITY

The services offered to people with disabilities are in full development: paragliding, diving, sport fishing...

DMC

[Martinique Acces'île](#), labeled Tourism & Handicap offers accommodation, transport, rental of paramedical equipment, armchair for sea bathing, advice for leisure and visits.
